

# ONE STOP SOLUTION

## Consolidation services reduce costs

With our buyer's consolidation services, you will have reliability, less cargo handling and fewer units to handle at your end destination. Buyer's consolidation services give you reduced costs and environmental savings and offer full transparency in a more simplified manner compared to multiple LCL shipments.

## Imports & exports operations

Whether it is importing or exporting, ASF provides the experience and "know-how" in imports and exports to our air freight and sea freight logistics service. These are for both perishable and general cargo.

Dedicated and specialized teams produce and process all the import or export documents and administration in-house. This enables quick and crisp clearance for our integrated services to and from destination. We can collect and deliver your airfreight consignments directly at all airlines operating to and from India. Our scale of operation enable us to procure the best space availability and rate when you need it most.

## One Stop Solution

Ensuring that all the solution are executed rapidly, accurately and to perfection, specific coordinated operation guarantee that the service level that we boast of are achieved.

## Cargo

## Airsea Forwarders India

Airsea Forwarders India P Ltd (ASF) is amongst the renowned customs house and international logistics agents headquartered at Chennai, India. Airsea Forwarders was incorporated in 1989. We have own customs house license (CHA), IATA license and freight contracts with all leading airlines / shipping lines.

ASF has grown over the years in clearing and forwarding among with related Freight Forwarding business activities. Today the company is well equipped with latest communication tools and well trained staff to handle the regular and complex issues in the business with ease. Our Offices in the city as well as the Airport limits assure you an efficient and quick service even at a short notice.

We provide quality services for clearance of both export and import consignments at Chennai sea port and airport consignments at Chennai sea port and airport – We operate through our dedicated partners for clearances at Bangalore, Tuticorin, Vishakapatnam, Nhava Sheva (Mumbai), Mundra, Kolkata, and Cochin.

## Warehousing

Located near the industrial hub, ASF has the know how and expertise in ware house managemtn systems. We manage our ware house storage with 100% security, with all facilities for loading / unloading, physical scanning and stacking of goods, We provide transportation services for pickup and delivery. We also provide cleaning services for metal pallets.

## International freight Forwarding

To bridge the complex, competitive diide between the delivery of products, from source to end-destination, for quick sale thereof, requires extensive experience and specialist knowledge that ensure that logistics and all commercial and statutory documentation satisfy international trade reuirements.

As a freight forwarder, ASF is an expert and experienced “Know-how” partner in commercial matters, multimodal transports, import and export processes and regulations, as well as the most effective

route  
planner  
from  
supplier to  
delivery  
destination.

This service is provided from a single service point and executed and supported by specialized and dedicated teams and staff that ensure your peace of mind.

## Customs clearance & Freight administration

We pride ourselves in providing a cost effective, integrated documentation service performed by specialist to ensure flawless execution.

Our customs clearance and documentation service is linked online with the ICEGATE of Customs and Excise via a EDI system. We can assist with the payment. of duties, surcharges and VAT. Expert review of tariff and product codes ensures slick customs documentation handling and advice that could truly be valuable to your business.

Both the sea and airfreight storage facilities are bonded. ASF has the knowhow to provide rapid payment of the required duties, surcharges and taxes.

The compilation and checking of Certifications for STPI, EOU, SEZ units along with documentation to procure SVB Special Licenses are handled from dedicated facilities on the premises.

## Air Freight

We are registered as CONSOL and IATA agents in Chennai Dedicated vehicles ensure rapid collection and dispatch from all the cargo handling facilities at the airports. We handle import consolidation as well as back to air shipments for exports. Airfreight remains the premium form of transport when the requirement is for rapid international delivery, exact arrival times for order fulfillment and product availability, just-in-time inventory (JIT) management, and products with limited life. With vast experience in the entire air cargo industry, ASF ensures space availability when you need it most. We are a reputable, credit worthy company with accounts at all airlines. Freight chartering is another area of expertise that we are well experienced in.

Our specialist air freight team satisfies clients who require the transport of perishable products as well as general cargo.

## Road Freight

Road freight provides flexible regional transport, with expert skills in crossing border procedures, type of product and priority shipment handled.

This is for individual or consolidation loads in perishable produce as well as general cargo. Our own fleet enables us to control schedules and delivery priorities that we commit to.

## Sea Freight

ASF has the personnel with more than 20 years of experience in sea freight industry. ASF has the expertise to secure space and best freight rates for both import and export shipments. We have the expertise to handle door delivery shipments. We handle FCL, LCL shipments, Reefer containers, Over dimension cargo in FLAT RACKS and RORO shipments. We use our relationships with carrier and CFS to leverage our clientele patronage.

## Buyer's export consolidation – sea

If our customers receive cargo from multiple suppliers, we can consolidate their goods by our consolidation services.

## Optimised utilization through consolidation

We optimize the utilization of containers as part of our consolidation services. Dedicated containers are packed and sealed for final delivery at the customer's premises or straight to the end. We basically turn multiple LCL shipments into FCL shipments.

INTERNATIONAL FREIGHT FORWARDING
